## Afternoon Four Year Old daycare Program

**Learning Centers are a great component to learn and explore.**

We are pleased to be offering an afternoon four year old daycare program. Miss Falcone, Fontana's 4K teacher, will be the daycare provider.

We hope that you and your children will find our school to be welcoming and friendly in addition to providing an excellent public school education. Our staff recognizes and encourages differences and provides opportunities for individual growth.

Each day includes a balance of age appropriate activities which include small and large motor skills, quiet times, computer labs and indoor and outdoor play. We promote an environment that encourages each child to explore new experiences and interact with others in a positive manner .

### Lunch at school

Parents of students in the afternoon daycare program are asked to pack a sack lunch for their child. Hot lunch will be available for purchase if parents choose. Please ask for a monthly lunch menu and cost for lunch if you are interested.

### Cost

The cost per child for the afternoon daycare program per day is \$12.00 or \$60.00 per week. This fee is due on Monday morning of each week. The afternoon program and after school care will not be offered on days when school is not in session. There will be afternoon and after school care on early release days. Please make arrangements ahead of time for these days.

The after school program runs from 3:30-5:00 PM daily and cost is \$8.00 per day per child. Parents must pick up their child(ren) on or before this time daily. A late fee of \$15.00 will be charged for pick-up after 5:05 PM.

If you are interested in utilizing one or both of these programs, please contact the Fontana elementary School at 262-275-6881 ext 200.
