

EARLY DISMISSALS

When it becomes necessary to close school, parents will be contacted via the Honeywell Instant Alert system. This is an internet based system used for communicating with parents. **Parents will not be called** so please keep your personal profile up-to-date and make sure your child understands what they need to do in the event of an early school closing. (Go to our website at www.fontana.k12.wi.us and follow the Instant Alert instructions on the right side of the home page.)

School closing information is also broadcast over the radio and TV stations listed below. The announcement will be made for all "Big Foot Area Schools".

TV

CBS **58** – Milwaukee

We ask that working parents make **PRIOR ARRANGEMENTS** with their children so that the children know what to do when and if they arrive home without a parent being there. You may want to remind your child to call you when they arrive home.

Please feel free to call me at 275-6881, ext. 205, with any questions or concerns.
